EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Gene Stockman on 01/29/2008. The application has been amended as follows:

IN THE CLAIMS:

Claim 1, line 18, after 'unit requiring', **insert** — said—

Claim 1, line 18, before 'displaying manner', **delete** — a —

Claim 1, line 18, before 'displaying manner', **insert** — said —

Claim 1, line 20, after 'operator', **delete** — . —

Claim 1, line 20, after 'operator', **insert** — , but in the same manner as the images of the setup operation step or steps. —

2. The following is an examiner's statement of reasons for allowance:

Claims 1-8 are allowable over the prior art, since the prior art fails to teach or fairly suggest an automatic analyzer comprising a display section configured to display on a screen a first plurality of images representing a flow of plural setup operation steps used to start up the analyzer, and a second plurality of images representing analysis units of the automatic analyzer; the two pluralities being displayed on the same screen; and a control section configured to control the display section to display the images of

the setup operation step or steps requiring a setup operation by an operator with a displaying manner different from a displaying manner of an image of another setup operation step or steps not requiring a setup operation by an operator, and to control the display section to display an image of an analysis unit requiring said setup operation by an operator with said displaying manner different from an image of a displaying manner of analysis units not requiring setup operation by an operator, but in the same manner as the images of the setup operation step or steps, as recited in claim 1.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance." Any inquiry concerning this communication or earlier communications from the examiner should be directed to Natalia Levkovich whose telephone number is 571-272-2462. The examiner can normally be reached on Mon-Fri, 8 a.m.-4p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jill Warden can be reached on 571-272-1267. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
